

Most Immediate

No. G-25029 /PrAo /HUA/PFMS/CSS/
Government of India
Ministry of Housing & Urban Affairs

Nirman Bhawan, New Delhi.
Dated: 15th September 2022

Subject: Issues relating to release of Central Share to the State and UT Governments.

In continuation to my earlier letter dated 05th September 2022, relating to the subject above, DoE vide OM dated 12th September 2022(copy enclosed), has clarified the following:

- a) A utility has been developed by PFMS division, O/o CGA to address the validation check issue arising due to minor head mismatch between Central Heads of accounts and the State's heads of account. MoHUA is requested to take up the matter with States to fill in the requisite information in the utility to map the State's heads of account with the Central heads of account to avoid invoking Minor head related validation checks.
 - b) Department may standardise the fund sharing ratio for all components of a scheme
 - c) Alternatively, the Department is requested to take up the matter with the States to have component wise State Linked Schemes (SLS), SNAs and heads of accounts.
2. In view of the above, PDs are requested to get the data entry done and complete the activity by September 2022. In cases, where releases are held up and any special circumstances warrant a relaxation, the complete details should be sent to the undersigned for taking up the matter with MoF for relaxation. Such specific proposal for relaxation with complete details should be submitted by 16th September 2022.
